Our returning camps are just as strong as ever. Not sure what sport your child wants to do and are unsure about a whole season dedicated to that sport? Campers in **Sports Spectacular** will play a different sport everyday!

Middle school and upper elementary girls looking to become ready for the fall season have a great opportunity to become prepared in **Volleyball** camp.

**Scrapbooking** is also back. This is a great way to preserve awesome memories your children have created with you and their friends.

This year students can sing their way to success with **Music** camp and create instruments as well.

Looking for a different creative activity, then try **Jewelry Making** camp and design some incredible items.

**Chess** camp is back! Students will have a great time learning this fun game of strategy.

Another fun in the sun camp this year will be **Softball**. This camp will be offered through Mint Hill Athletic Association (MHAA). More information for this camp will be coming soon.
